Milk Prices Advance

At a meeting held recently between the executives of the Milk Producers' Association and the E.C.D. Co. Ltd., owing to the shortage of milk and cream in the Edimonton district, and to encourage greater production, it was agreed to advance the prices of milk and cream. The increase to producers and consumers being effective today.

The Following Prices Are Now Effective

	tickets for \$1.00

Edmonton Bulletin Alberta's Oldest Newspaper
Founded in 1880 by Hon. Frank Oliver

CHARLES E. CAMPBELL, Publisher

IF IT WILL HELP ALBERTA THE BULLETIN IS FOR IT.

THURSDAY, DECEMBER 1, 1297

A bushel of Montana wheat was adjudg-ed the finest at the Chicago fair, and a Cali-fornia steer hooked the grand championship

fornis steer hooked the grand championship ribben at the same event.

Edmonton Commercial Grads at Chicago and elsewhere taught the girls of the United States to play basketball. And it almost looks as though Alberta exhibitors at Chicago in the years that are gone taught United States farmers how to grow wheat and beef cattle.

The revival of public interest in the

The revival of public interest in the Peace River country is putting value into the ED, and St. Railway. Premier Brownlee expressed a confident expectation that both the transcontinental systems will in the both the transcontinental systems will in the better than any yet received.

It is to be hoped there will be no disposition in any quarter to urge the Government into a premature sale. Having carried the enterprise for so long when its value was declining, the people of Alberta may just as well keep it a while longer and get sonrething like what it will ultimately be worth as a feeder of one or other of the transcontinentials or as a link in a new through line to the Pacific.

PRESIDENT AND PREMIER

Washington newspapermen tried to draw out. Premier King on the subject of I. Lawrence waterway improvement. They serived the perhaps unexpected reply that the Premier had a policy on that subject the Premier had a policy to be in the depart.

to the publishment of the course of procedure proper in the two countries. It would be quite in order for President Program of the two countries. It would be quite in order for President Coolidge to say what he would do in regard to that or any other proposal without first consulting his legislature; but not for a Premier of Canada to do so. The President is responsible directly to the voters. Our Premier of I canada to do so. The President is responsible to up representatives, and must recognize that responsibility by making his prosumements to them.

A WORLD-WIDE PROBLEM

In Ontario a boy of twelve year was sent to a reformatory for bottlegging, under the centrel system. In New Jersey an official that we have a sent to a reformatory for bottlegging, under the centrel system. In New Jersey an official control of the system of the system

varying frequency. How to curb their ac-tivities is one of the knotty points in the problem of regulating the manufacture and sale of intoxicents. Of the three methods of punishment cited above, that of sending of punishment cited above, that of sending a good deal more hopeful than that of reis-ing their plants or letting them go en pay-ment of a fine.

nipeg to be chosen by the Amsterr Athletic Train of Camada as a place in which to hold an annual meeting. Belegates from all the proviners will be in essain, here during the last three days of this week, at the fortiest annual convention of the Union. The choice of this city as a meeting place is a tribute to the position Edimonto has gained as one of the recognized centres of amateur sport in

the recognized centres of amateur sport in Canada.

For the distinction that has thus come to it. Edmonton is udebted to the Commercial Grads basketball team, more than to any other local organization or to all others combined. This wonder team of Edmonton girls have made the name of their home town have in a thirties drives throughout Carada, the United Stars and Europe. It is discussed the trivial choice of the descent of the team of Edmonton girls have made the name of their home town known in athletic circles throughout Carada, the United Stars and Europe. It is discussed the trivial schools of the lastic discussion of the rival school of the lastic discussion of the rival schools of the lastic discussion of the rival schools on a same unexpected quarter by the publication of the lastic discussion of the rival school of the lastic discussion of the lastic discussi

Committee decides to nominate baskethal as one of the games to be included in the program at the next Olympic contexts, the Grads will be there, as representatives of Canada, and to defend their title of international champions. And there can be no doubt that their presence and achievements there would give stimulus to athletic sports of all kinds in Edmonton—and throughout prairie provinces more active and important factors in mational amateur athletics than they have yet been.

Success By EDGAR E. GUEST

Fame smiled upon a lad for what he'd done Then whispered: "Boy, now keep what you have

The youth looked up and answered in surprise "Now I've arrived! Show me where pleasu

"Greatness is yours today," said fame, "b Tomorrow men a greater man shall know, "Rest not with this. Still higher must you clim! A true success keeps working all the time.

"Each task you face until your life is o'er Must in some way excel the one before.

"The price of fame at first is sometimes chear Who gains success, will find it hard to keep." "When this I'd won," the troubled lad replied,
"I'd thought to rest and put all work aside."

"Ah no," said fame. "to be triumphant still.
Who once has climbed, must climb a steeper hill
